

## VIDEO/DVD POLICY

All of the library's videos/DVDs are available to everyone, regardless of age. At the written request of a parent/guardian, the library will attempt to restrict the video/DVD borrowing privileges of a child under the age of 18. The ultimate responsibility, however, lies with the parent/guardian.

Policy adopted by the Board of Trustees, Nanuet Public Library, November 28, 2000

Please Note: Our attempt to restrict video borrowing privileges is confined to Nanuet Public Library cardholders and Nanuet Public Library videos/DVDs. Please see a librarian for our form.

### Note to Parents:

You are the only individuals who may restrict your own children's access to library materials and services. Parents who would rather their children did not have access to certain materials should so advise their children. The library and its staff are responsible for providing equal access to library materials and services for all library users.
